£64.99

Book Description

This volume explores various approaches to leadership from both the past and the present, critically analysing these in the light of possible future challenges and scenarios. In addition, by drawing from the field of future studies, it introduces the reader to concepts of leadership that are 'future-ready'.

Praise

"Whether you are a leadership or a foresight practitioner, or a scholar in either or both fields, I am confident this landmark volume will introduce you to a parallel world you never knew existed through the ultimate family reunion of leadership and futures studies!"

Jay Gary, PhD

Associate Professor of Leadership, Oral Roberts University, USA; Board member, Association of Professional Futurists (APF)

About the Editor

Dr Thomas Mengel is Professor of Leadership Studies at the University of New Brunswick, Canada, and holds degrees in theology, adult education, history, and computer science. He has worked and consulted in project management and leadership in both Europe and North America, and is also a professional futurist and writer.

Leadership for the Future: Lessons from the Past, Current Approaches, and Future Insights is available now in Hardback from the Cambridge Scholars [website](#), where you can also access a free [30-page sample](#).
